

Industry Partnership Conference

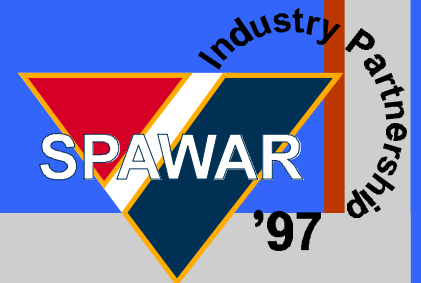

Information Support Systems (PD 15)

25 June 1997

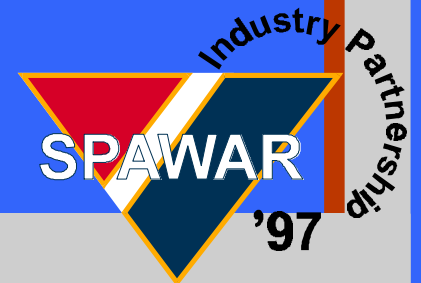

Agenda

- Introduction - RADM Johnson
- NTCSS
 - CAPT Bachmann
- NavMASSO
 - Shirley Jahn
- DMS/BLII/NAVMACS
 - Robert Cruz
- NISE East
 - Pete Van de Meulebroecke

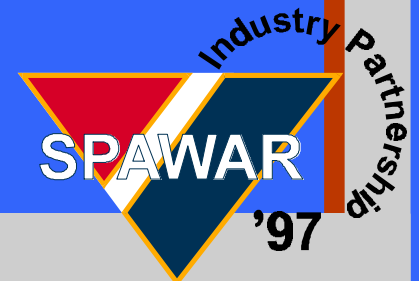

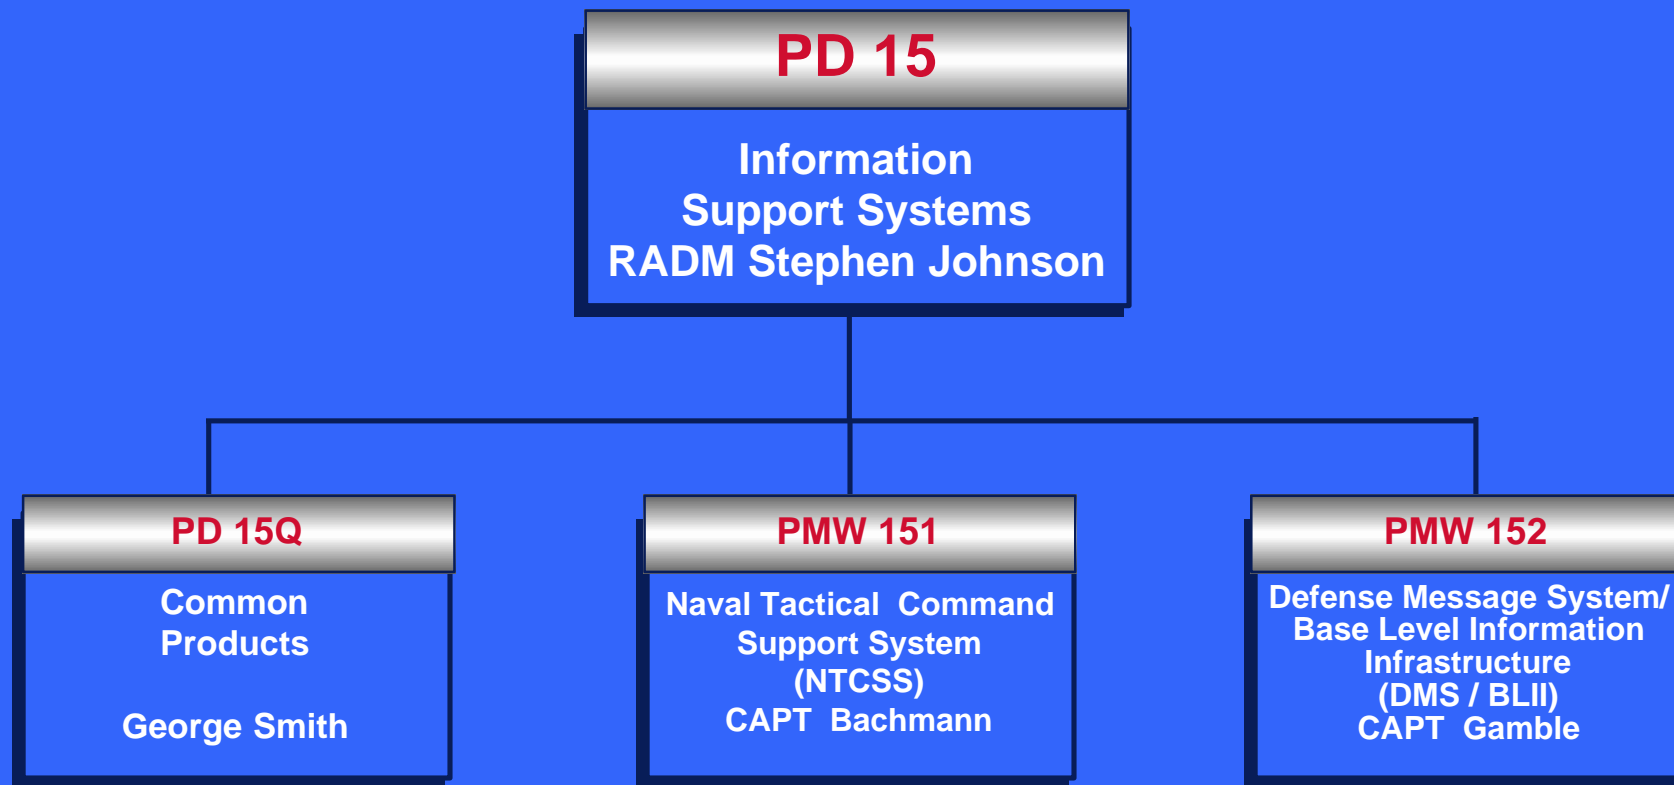

PD 15 Mission

To provide cost-effective, reliable and maintainable management information systems, messaging systems and network infrastructure for force-wide combat support systems. These systems allow Commanders to integrate tactical information with key combat support information in both joint and coalition warfare environments.

PD 15 Organization

NTCSS

C³I Systems
to FIGHT the ship

NTCSS to RUN
the ship
and provide the
LAN infrastructure

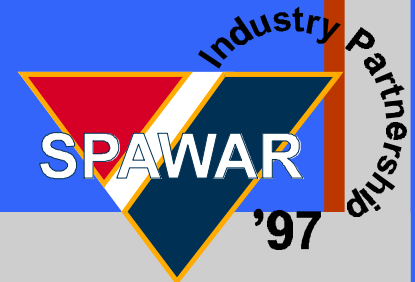

Sensor Data Fusion
Threat Analysis
Decision Aids

Maintenance
Supply
Administration

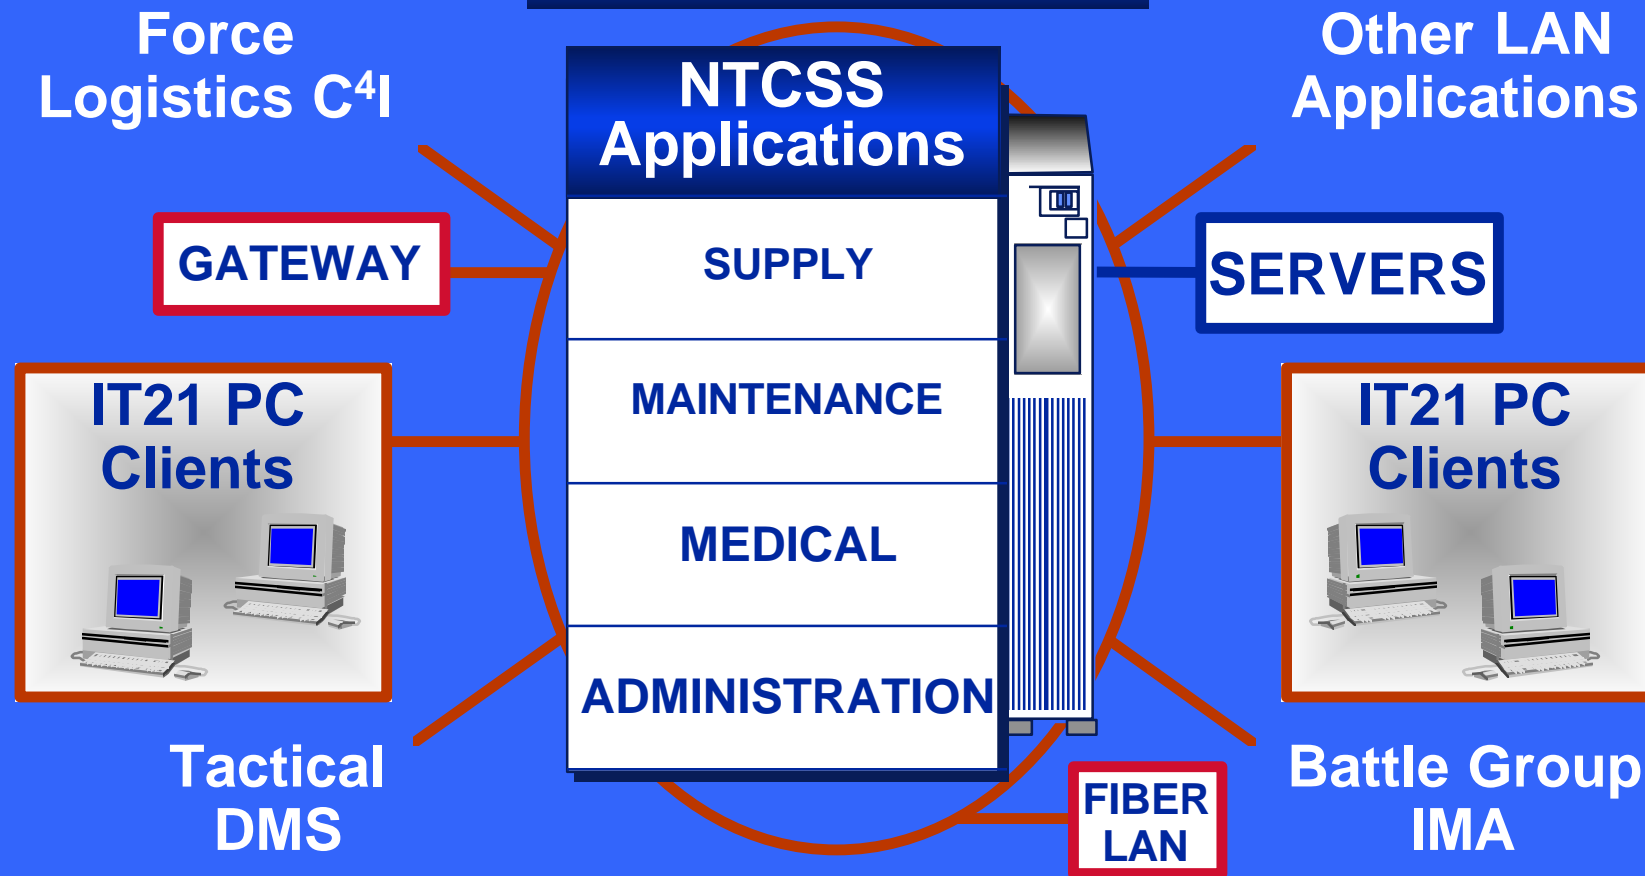

Single Desktop PC

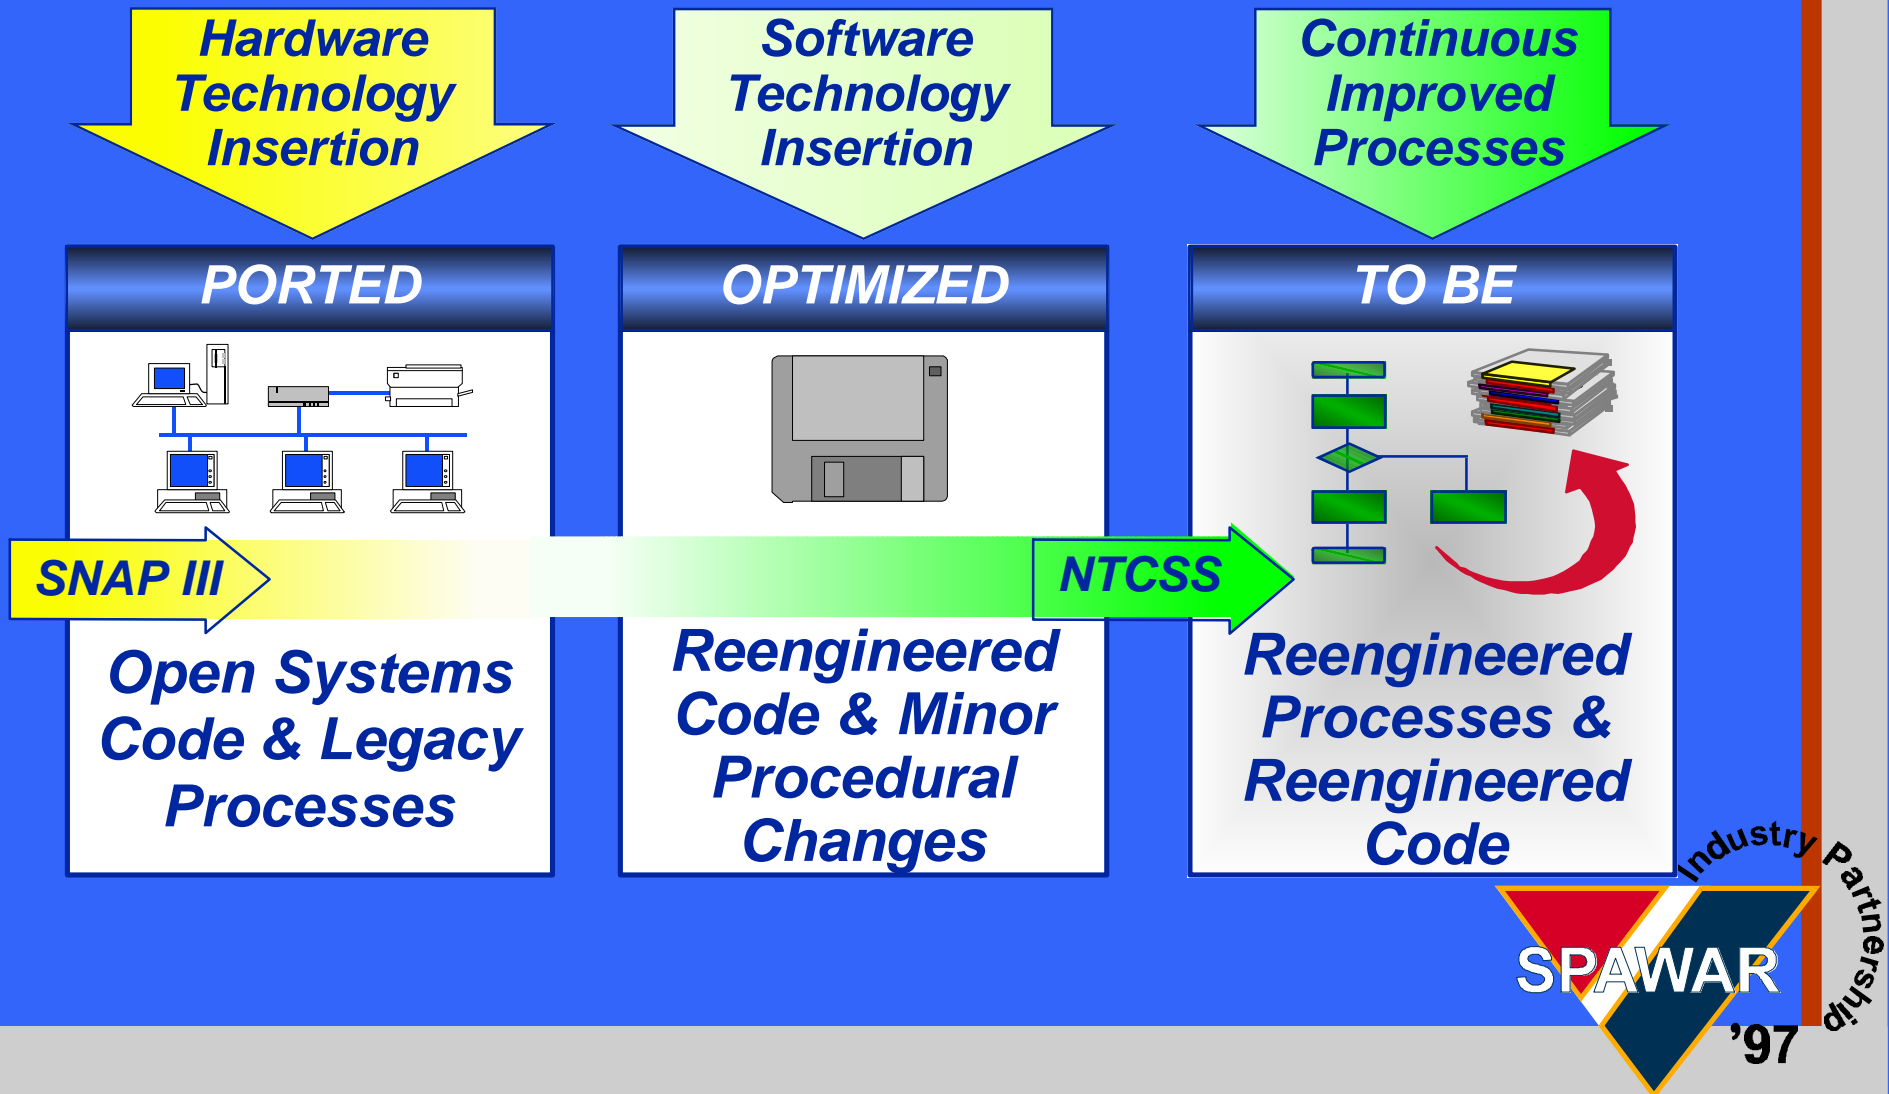

NTCSS Applications

BLII Afloat

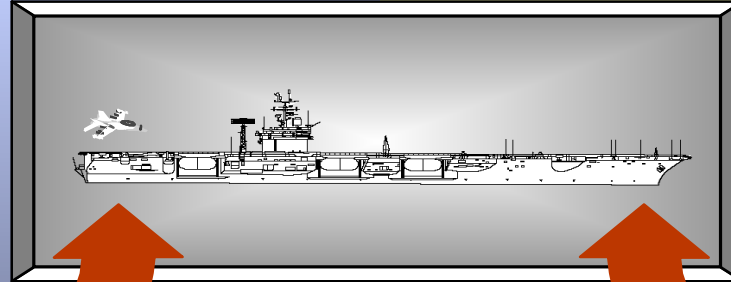

NTCSS Development Strategy

Fielding Strategy

**NAVMASSO
(CDA)
SOFTWARE**

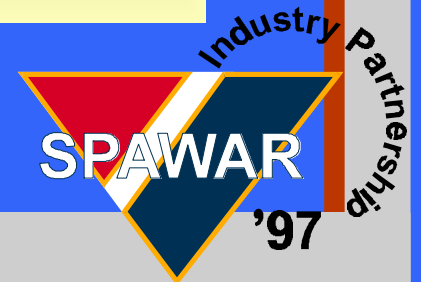

**NISE EAST
(ISEA)
HARDWARE**

**COMPLETE 587
REMAINING 202**

- Development
- Implementation
- Support

- Selection
- Testing
- Installation
- Support

Field Activities

NAVMASSO
NISE East Det

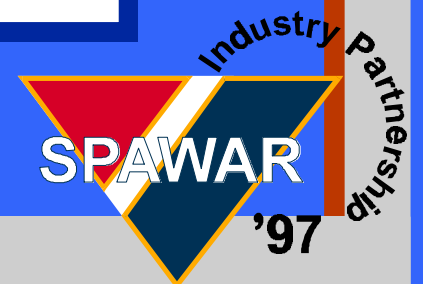

Norfolk

San Diego

Charleston

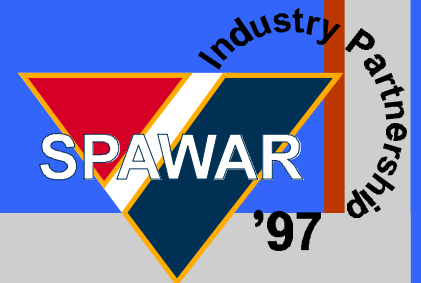

NRAD
NAVMASSO Det

NISE EAST

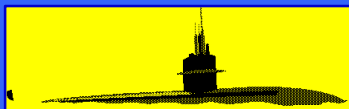

NavMASSO

- Navy Management Systems Support Office Chesapeake, VA
- Central Design/Software Support Activity

NavMASSO Industry Opportunities

- To provide global “cradle to grave” software support and engineering for fleet standard automated information systems afloat and ashore.

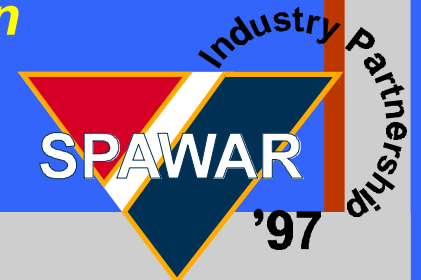

Subsurface

Surface

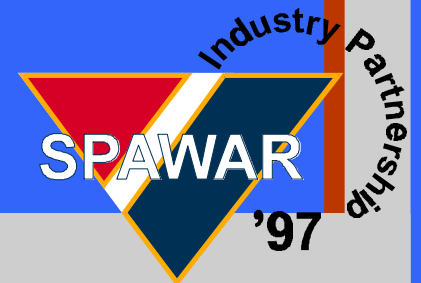

Aviation

NavMASSO Industry Opportunities

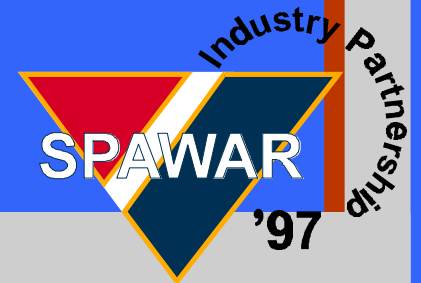

- Functional Domains
 - Aviation, Surface and Submarine Maintenance
 - Supply, Inventory, Financial
 - Manpower, Personnel
 - Medical, Dental

NavMASSO Industry Opportunities

Current Contracts

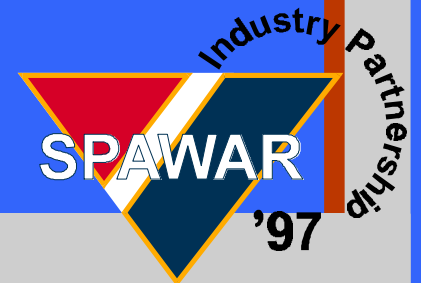

- Tidewater Cosultants
- Mantech Services Corp.
- S3
- Wang Federal
- Intecs
- ACS

NavMASSO Industry Opportunities

Future Contracts

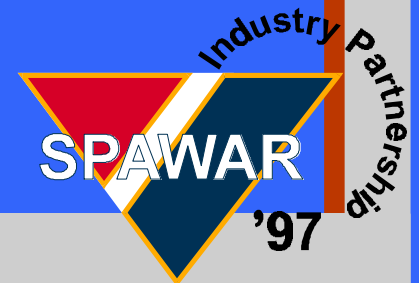

- NTCSS (GCCS-M)
- Estimate 300K Staff Hours Annually
- Projected award: 1st Qtr FY 98

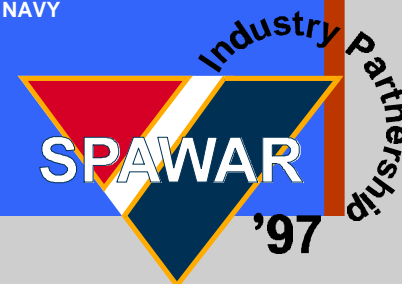

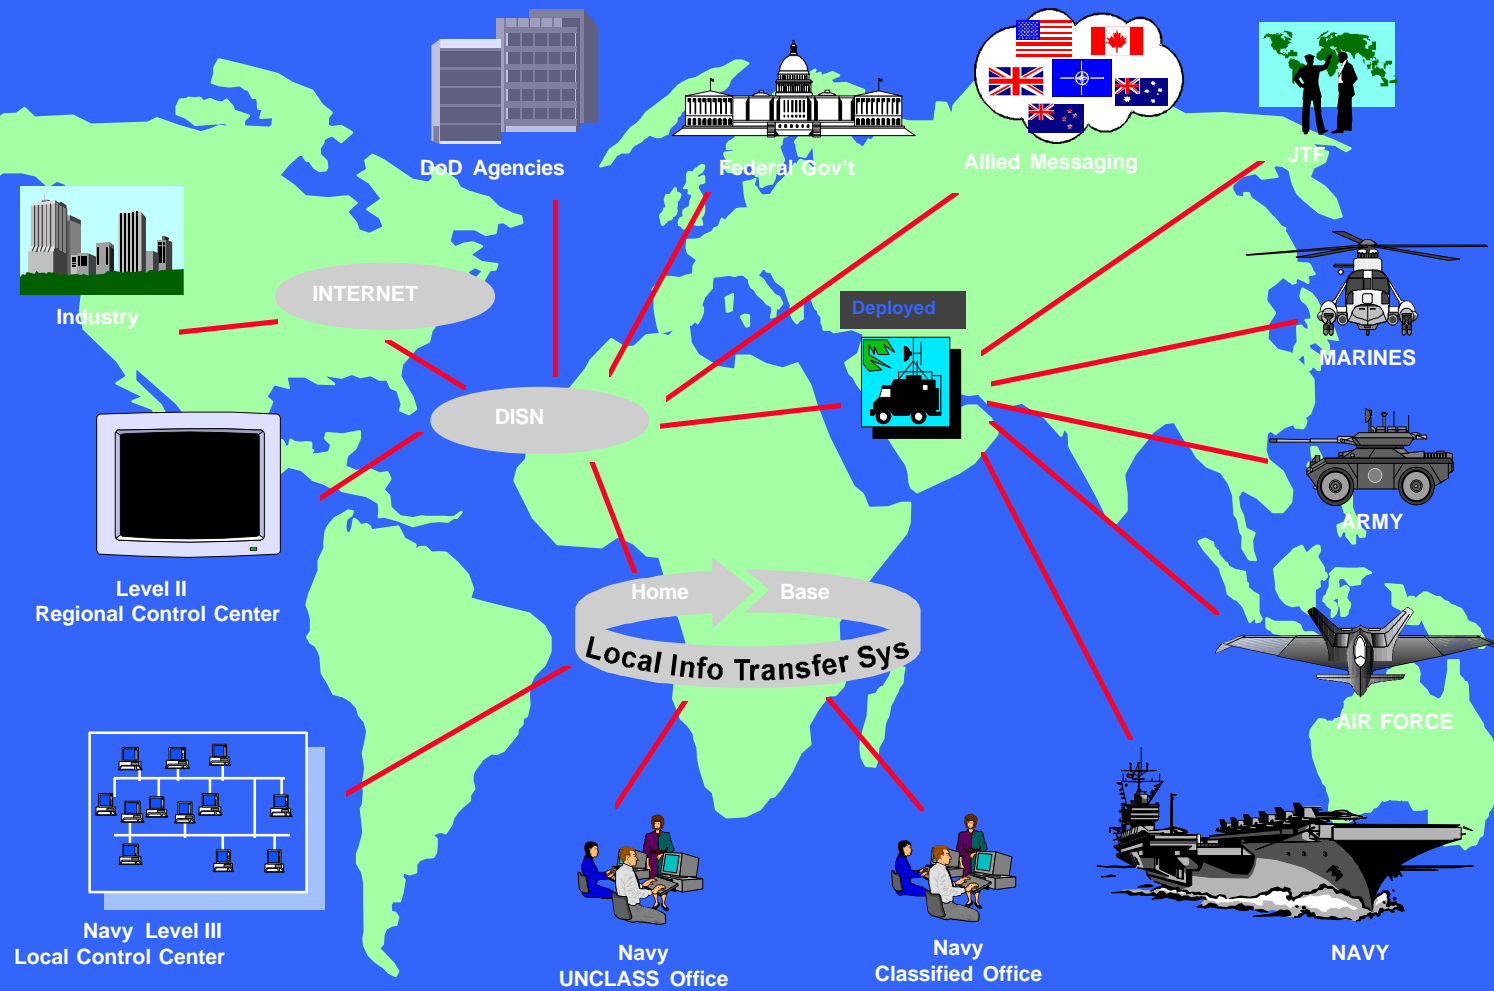

NavMASSO Industry Opportunities

Future Contracts

- SNAP Systems
 - Estimate 165K Staff Hours Annually
 - Projected award: 1st Qtr FY 98

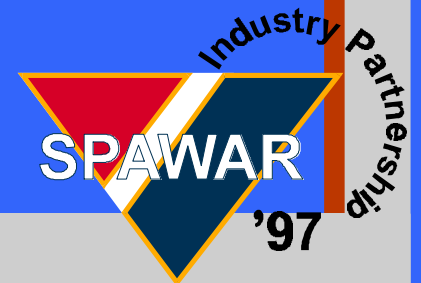

DMS Vision

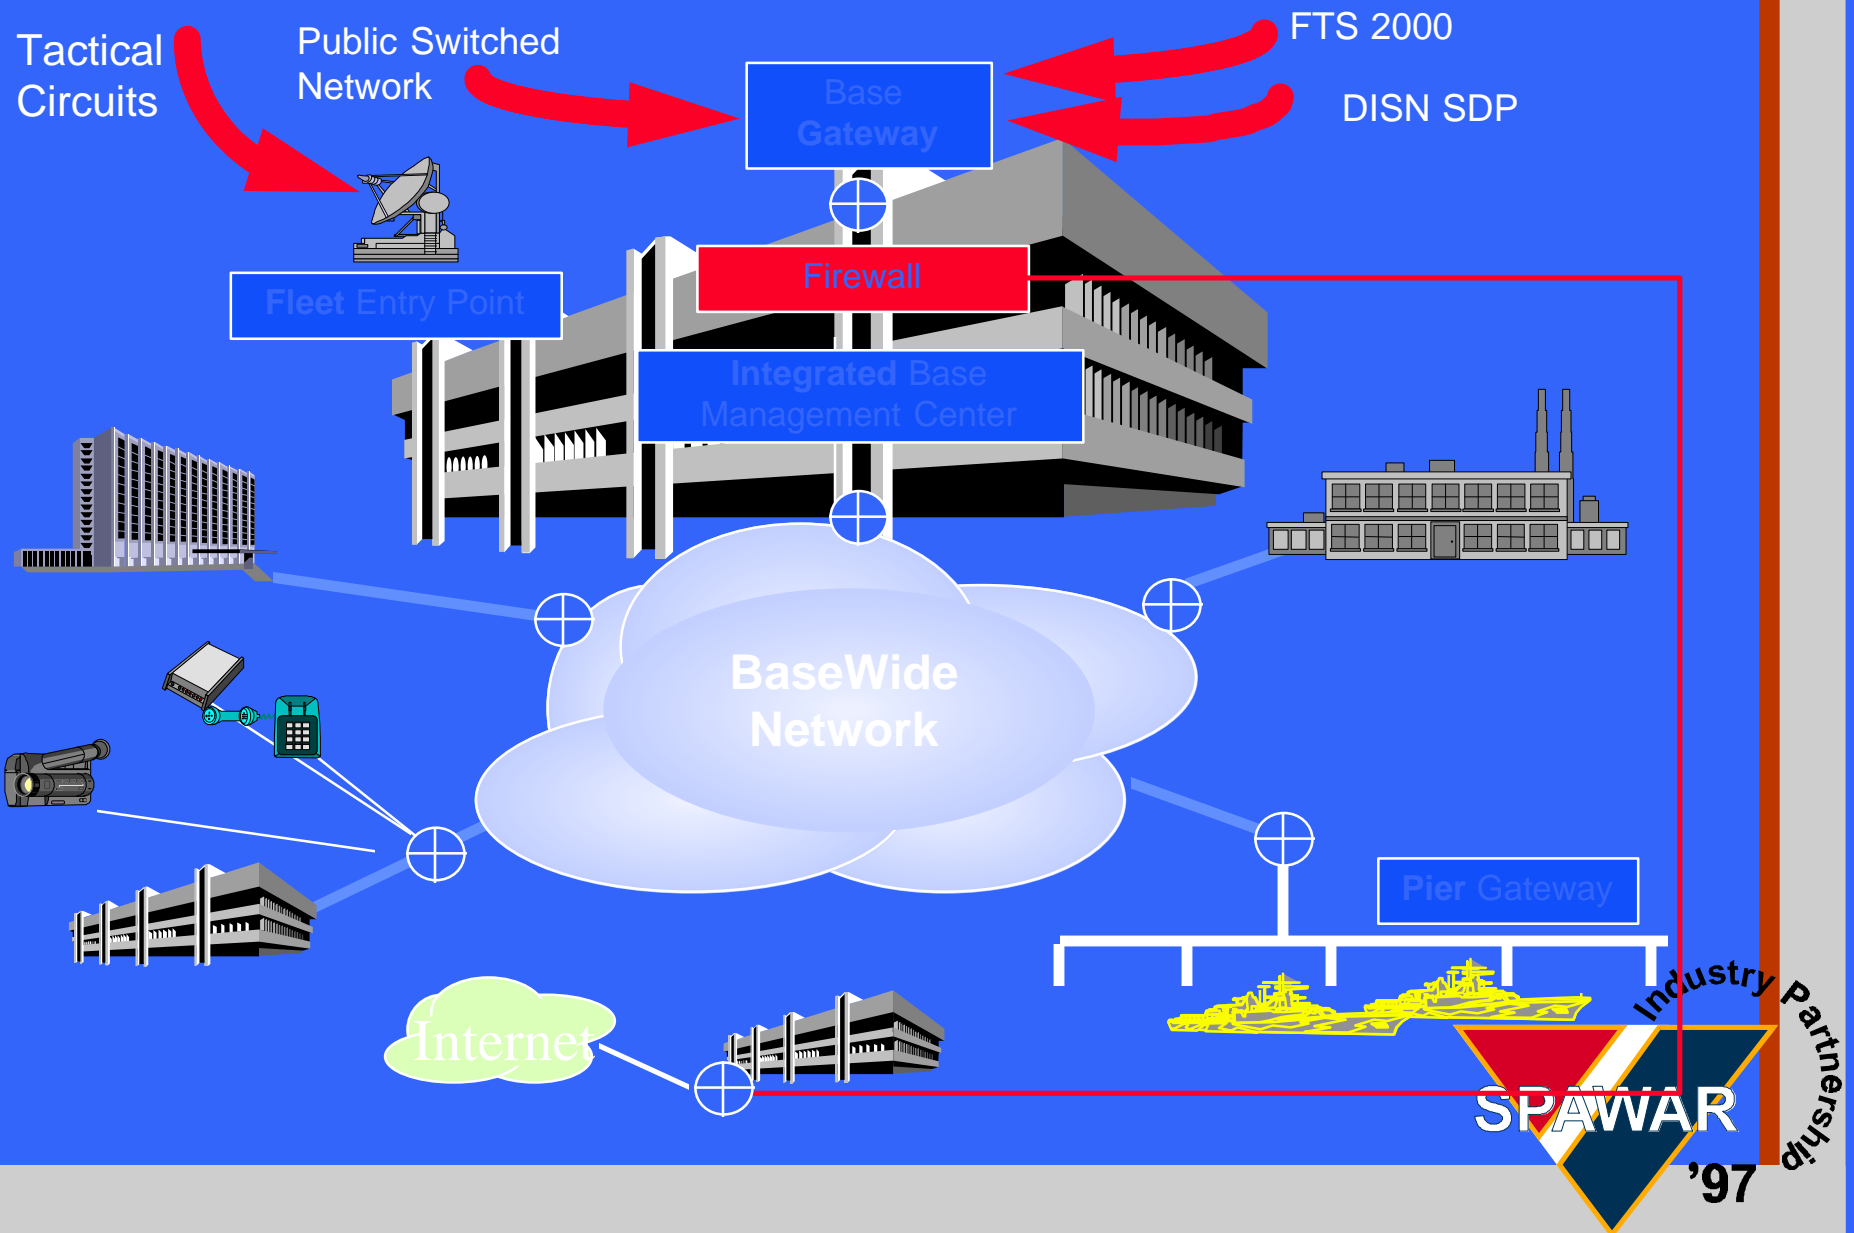

DMS Status

- Basic DMS Team In-place
 - Prime LMFS
 - 2 year Contract with 6 1-yr Options
- Second Track Vendors can Seek Certification via JIEO

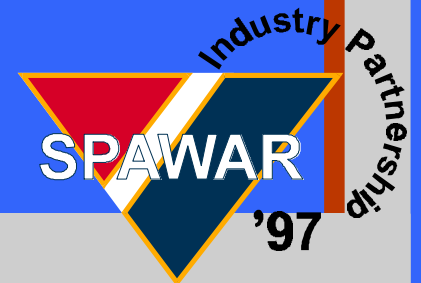

BLII Target Base

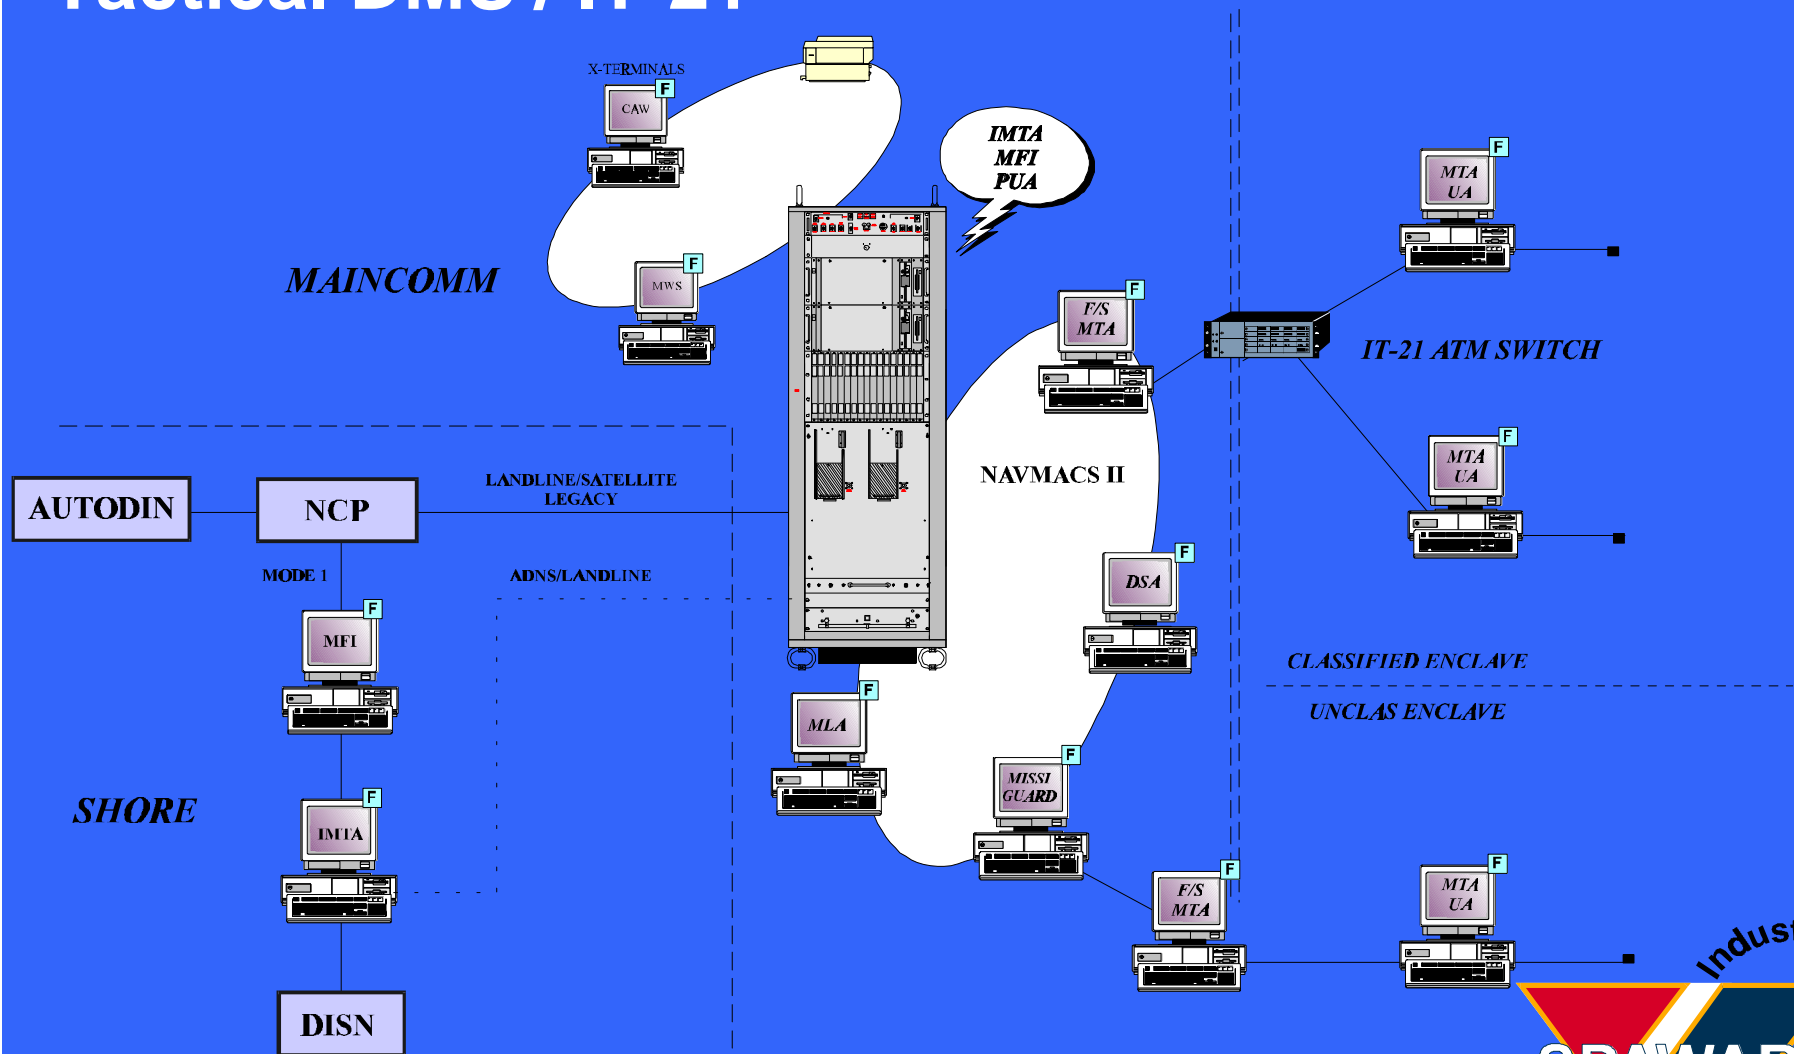

BLII Status

- BLII
 - ViViD Contract
 - Primary Vehicle for Base Mod
 - Multi Product Contract
 - Option to Lease, Buy, Outsource
 - Partner with ViViD Winner(s)

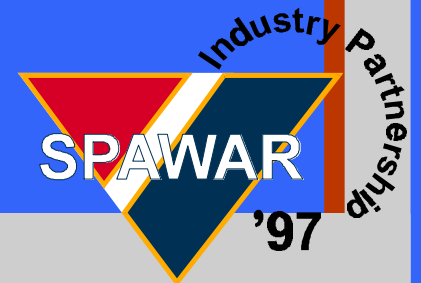

NAVMACS II

Tactical DMS / IT-21

NAVMACS Status

- Navy's vehicle for fleet implementation of DMS
- 50 installations to date; 200+ left to complete (2003)
- Evolutionary enhancements spark continuing development

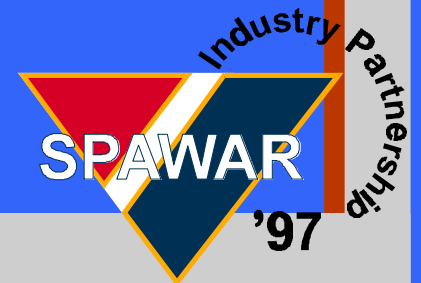

NISE East Industry Opportunities

- Field Activities Efforts For NTCSS:
 - In-Service Engineering Activity
 - Acquisition Engineering Activity
 - Production Procurement
 - Integration and Installation
 - Ships Drawings
 - Logistics Support
 - Hardware Procurement and Testing

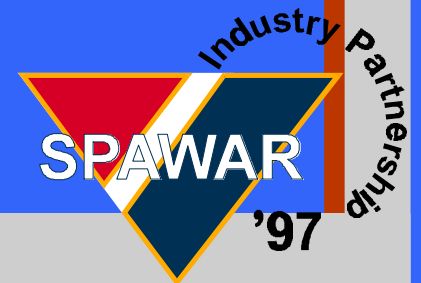

NISE East Industry Opportunities (Cont)

- NTCSS Contracts:
 - Eagan Mcalister and Associates:
 - MILCOM
 - Resource Consultants Inc.
 - ATG/KOH
 - PRC

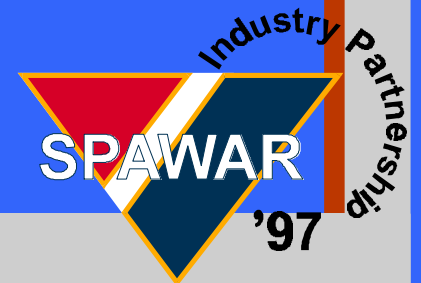

NISE East Industry Opportunities (Cont)

- NTCSS
 - Percent of Work In-House: 40%
 - Percent of Work Out-Sourced: 60%

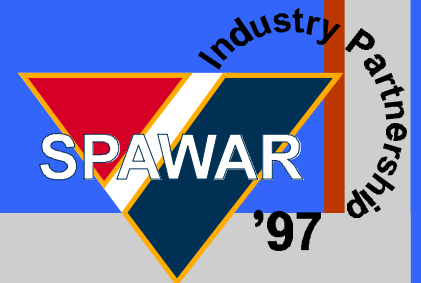

NISE East Industry Opportunities (Cont)

- Field Activities Efforts For DMS/NAVMACS II/BLII:
 - Project Management And Coordination
 - System Engineering and Integration
 - Acquisition Engineering and Contract Oversight
 - Installation and Testing
 - In-Service Engineering

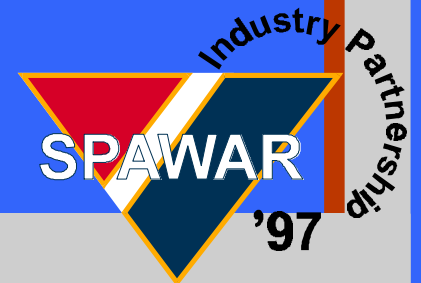

NISE East Industry Opportunities (Cont)

- DMS/NAVMACS II/BLII Contracts:
 - TDS, Incorporated
 - MILCOM
 - Allied Technology Group
 - Scientific Research Corp.

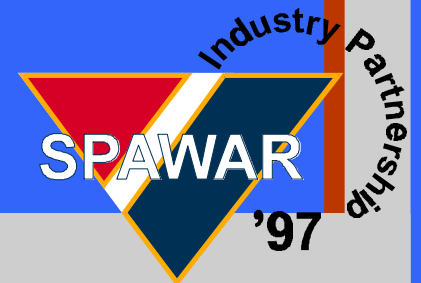

NISE East Industry Opportunities (Cont)

- DMS/NAVMACS II/BLII Contracts:
 - Scientific Research Corp.
 - ANIXTER
 - Egan McAllister Asst.
 - ESN
 - GSTEK

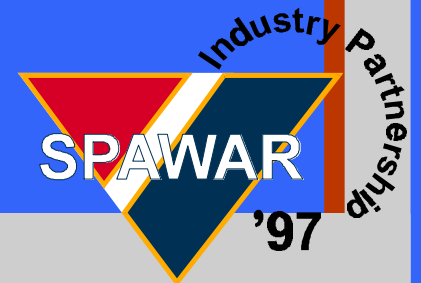

NISE East Industry Opportunities (Cont)

- DMS/NAVMACS II/BLII
 - Percent of Work In-House: 24%
 - Percent of Work Out-Sourced: 76%

PMW 151 Points of Contact

- **NTCSS, SPAWAR**
 - CAPT Mike Bachmann (703) 602-2747
- **NavMASSO**
 - CAPT Dana Fuller (757) 523-8000
- **NISE East**
 - Pete Van de Meulebroecke
(619) 553-2092
- **Nrad**
 - Jim Acosta (619) 524-2060

PMW 152 Points of Contact

- **DMS**

- Mike Hartman, (703) 602-
 - hartmanm@smtp-gw.spawar.navy.mil

- **BLII**

- CAPT(S) Lai, (703) 602-4045
 - laij@smtp-gw.spawar.navy.mil

- **NAVMACS II**

- Eric DeGraff, (703) 602-8368
 - degraffe@smtp-gw.spawar.navy.mil
